DISCERNING BUYERS SNAP UP BARGAINS AT BIG AUTO AUCTION

Sale by Von Hamm-Young Co. of Saturday Will be Continued Wednesday Morning

A big crowd of automobile enthusiasts gathered at Bishop park Saturday at 12 o'clock noon to witness the sale and bid on the automobiles put up by the von Hamm-Young Co. There has never been such a fine display of rebuilt cars in the islands than the 38 cars shown in Bishop park. Nearly all of the cars were guaranteed to be in first-class condition and all had been repainted and equipped with new tops and good tires.

Fifteen of these splendid machines went at bargain prices, ranging from \$250 to \$1150.

The following cars were sold at the exceptionally low prices noted:
1910 Cadillac, \$275.
2 1912 E. M. F., \$250.
1913 Buick, \$460.
1912 Buick, \$500.
1912 American Scout, \$575.
1912 Overland Touring, \$450.
1913 Cadillac, as good as new, \$910.
1914 Studebaker, \$550.
1912 Stevens-Duryea, \$760, etc.

All of these cars were sold at half of their present value.

Towards half-past two the rain became so heavy that it was impossible to continue the sale. It was there-

fore announced that the auction sale would be postponed until Wednesday at 10 a. m. When the balance of 22 cars, including Studebakers, Cadillacs, Stevens-Duryea, Pierce-Arrows and other cars will be sold to the highest bidder.

All cars will be sold without reservation and it will be a splendid opportunity for automobile enthusiasts to get hold of a good car at a ridiculously low price.

HAWAII'S TIME EXTENDED.

Territorial Treasurer C. J. McCarthy has given Hawaii county until next month to pay the \$20,000 advanced by the territory for cleaning up the office scandal in that county the last two years. The money is payable on demand, but the county supervisors haven't the coin now and if they were compelled to meet the demand before the end of the present year they would be forced to violate a law which makes it a misdemeanor for any supervisor or set of supervisors to appropriate more money than is available during a given fiscal period. It is understood the cash can be obtained in January.

Despondent because his wife divorced him, Albert W. Reese of Weehawken committed suicide.

WIND LIFTS CANNERY ROOF.

Rapid work on the part of the management saved several hundred dollars' worth of sugar from being ruined by the heavy rain of Saturday night in the Kalihl cannery of Libby, McNeill & Libby. The heavy Kona of the early evening lifted about 125 feet of roof and carried it a considerable distance, leaving the big stock of sugar unprotected and directly underneath the roofless spot. A force of men was busy well after midnight removing the sugar to a place of safety before the rain commenced to fall.

The timber industry represents 37 per cent of the annual production of wealth in British Columbia.

Boxmakers in the United States use more than four and a half billion board feet of lumber each year or more than one-tenth of the entire lumber cut of the country.
